About This Game

Take control of two powerful and highly evolved vampires: Kain, an all-powerful demigod, and Raziel, a demonic angel of death. Each equipped with a legendary sword, Kain & Raziel must battle through a world loaded with conflict and intrigue as they attempt to unravel their destinies and defeat the dark forces that seek to condemn their world to eternal damnation.

Title: Legacy of Kain: Defiance
Genre: Action, Adventure
Developer:
Crystal Dynamics
Publisher:
Square Enix
Release Date: 17 Dec, 2003

b4d347fde0

English

Easily the best installment in The Legacy of Kain series. The game holds up relatively well in 2019. Combat is where this games shines, especially when compared to previous entries. The only gripe I have is with the switch to a static camera (think: original resident evils). While this does add a slightly more cinematic feel to the game it does hinder exploration a bit, it also makes executing combos finicky and don't even get me started on the platforming..

Overall a great game. It lives up to the nostalgia that brought me back to the game on PC. Highly recommend it. Best game series ever made by humanity. This series really need to be called a "Legacy"!
